

## Your headquarters for Outdoor Living

### Ideas and Materials

Outdoor activities are fun! And they're more fun if your yard is planned and equipped for secluded, comfortable outdoor living. Let us help you choose a fence to meet your needs. We can supply construction details... offer building and financing suggestions, refer you to reliable builders, and help you select durable, economical materials.

## Outdoor Screens

### MAKE YOUR YARD A PRIVATE PARK!

Practical wood fences can change even a small lot into an outdoor living room—provide a beautiful setting for entertaining or just plain private outdoor loafing!

You can use fences as yard dividers, for example. Or backgrounds for your plantings... shelters for your barbecue... screens for your swimming pool. This folder shows you the variety of styles available. There are woven fences, vertical and horizontal patterns, zig zag and butterfly designs. Each of these styles will give you a smart, practical fence that does double duty by giving you both protection and beauty.
