**THE JAMES**  
 Here the designer has shown us an exterior of much merit in composition and has pictured it most charmingly. The walls are of brick in various soft, mellow, red tones, laid in white mortar.

### THE ROSEVILLE

A real distinctive home for those who crave something different. This pleasing design is built around a central court or patio, two of the bedrooms and the living-room have access to the patio, and practically all rooms have cross ventilation. Three bedrooms and two baths are provided in this attractive plan.
