

SKETCH OF REVISED CHAPEL AND RECREATION CENTER

Crystal Mountain Chapel Under Way

A new chapel and recreation building under construction at Crystal Mountain will be ready in time for the winter skiing season.

The structure, a non-denominational facility, will accommodate more than 300 worshippers and will have many social uses. The building is rising at the foot of the chair lifts at the mountain site under sponsorship

of Crystal Mountain Chapel Committee, Inc.

The revised design for the building was prepared by Charles T. Pearson, Tacoma architect. The builder is the R. O. Bordner Construction Co.

A campaign to raise \$60,000 for construction and furnishings is under the chairmanship of Dr. D. M. Ulrich, physician. About \$45,000 has

been pledged. Sam Brown of Tacoma is general chairman of the chapel committee.

The chapel - center, with 3,533 square feet of floor area, is of wood construction with a concrete foundation and concrete piers for the wood beams.

The facility will be the only one of its kind at Crystal Mountain Village.
