

**Seasonal Biologist  
Archaeology**

**Tracking Code** 2078  
**Job Location** Boise, ID  
**Wage** \$17.91 – 21.57 (exempt)  
**Application Deadline** 3/29/2013

**JOB DESCRIPTION**

The successful candidate will function as an archaeological technician/cultural resource specialist and will assist the full-time Idaho Power archaeology staff in all aspects of the company's cultural resource management program, including assisting with small scale surveys, annual site monitoring, artifact analysis, report writing, and site testing through limited excavation.

**Please Note:** *This opening is a temporary, seasonal job, recurring annually (typically between May and September). Temporary employees are eligible for medical benefits after completing 12 months of continuous employment, and may contribute to the company sponsored 401k program upon hire, with the company match vested after one year of employment. Temporary employees are only eligible to apply for internal job postings if the posting is in their current department and in their current job classification. No housing or relocation benefits are provided.*

**REQUIRED SKILLS**

<b>Knowledge</b>	Basic concepts of archaeological theory and methods, including basic understanding of the prehistory of the western United States, and methods of finding, recording, testing, and assessing archaeological sites and reporting field findings.
<b>Abilities</b>	Learn and work in an office, lab, and/or field environment, write scientific reports and complete basic field and office work related to archaeological research; hike over rough and uneven terrain, work in a field setting, and work in adverse and highly variable climatic conditions, including heat, cold, wind and inclement weather.

**MINIMUM REQUIREMENTS**

<b>Education</b>	Bachelor's degree in archaeology, anthropology, historical archaeology or closely related field.
<b>Experience</b>	One season of applicable experience. <b>Prefer</b> 2 years of applicable archaeological oriented field experience
<b>Licenses &amp; Certifications:</b>	Valid driver's license with an acceptable driving record according to driving requirements of the position

**ADDITIONAL REQUIREMENTS**

Requires travel to remote locations, with periodic overnight stays. **Job offer is contingent on the candidate's ability to successfully complete a post-offer/pre-placement Department of Transportation (DOT) medical exam.**
